

## **SPSI Continuing Education Committee Agenda November 7, 2019**

Review minutes from May 9, 2019 Meeting.

Janelle Eckhardt, a clinical associate, would like to join the CE committee.

Review our experience with the Knafo event. The event was well attended and much appreciated from the aggregate of reviews. We do not yet have profit and loss figures.

### **Upcoming Programs:**

### **Potential Programs:**

Skye Haberman will be unable to present in the Spring, 2020, due to illness in the family. Chris Keats had asked Shierry NicholSEN, author of *The Love of Nature and the End of the World: The Unspoken Dimensions of Environmental Concern*, if she would be a discussant. Shierry agreed to do this. On learning that Skye Haberman could no longer present, Shierry suggested we look into asking Donna Orange, author of *Climate Crisis, Psychoanalysis and Radical Ethics*.

### **Additional Business:**

What should be the future of CE at SPSI? Should we advise combining CE efforts with NPSI, the Alliance, and COR? Chris Keats brought this up with Mike Miller, for discussion at a faculty meeting, and Mike said it would be taken up by the Coordinating Committee.

We need to remind Zan to help us implement our decision to make rating forms anonymous so that raters can speak freely.
