

Child Psychoanalysis Committee Meeting

February 4, 2020

Minutes

Present: Gina Ballí and Julie Wood (Co-Chairs), Denise Fort, Ken King, Don Schimmel, Flaviane Ferriera, Ellika McGuire, David Shaner, Stan Case (by phone)

1. February minutes review – Motion to approve: passed with grammatical amendments
2. Integrated committee updates:
 - a. Admissions – Discussion around requirements for admission into the child PSA training program for CAs already accepted to the Adult PSA training program. Gina will bring ideas back to the Admissions committee for consideration.
 - b. Progression – No updates
 - c. TA – No Update from the Committee. Stan will be attending the education forum at the AAPSA meetings and report back. Topic is “How best to teach about Gender and sex education curricula.” Stan and Denise will both attend the Child Congress and report back.
 - d. Curriculum – Fall 2020, Winter 2021 instructors. Call for instructors was made. Flaviane and Don are considering teaching in Spring
3. Child supervisors/consultants update – Julie reported back on her meeting with the coordinating committee. Further discussion took place around the issue of child consulting analysts.
4. NPSI Child course – Julie and Stan reported that it was a pleasure to work with the NPSI CAs and that there was significant enthusiasm in that cohort to expand collaborative learning opportunities in child psychoanalysis with SPSI.
5. March scientific session: It was announced that the March scientific session will be focused on child work
6. Referrals for child psychoanalysis: This topic was not discussed due to time constraints.

Respectfully Submitted,

Ellika McGuire
