Dear Dr. Keats.

My name is Elizabeth Wittenberg. I am a graduate analyst at the Minnesota Psychoanalytic Institute. I got your name from Diane Grise through Joan Lentz at our institute.

I am writing to inquire about the Seattle Psychoanalytic Institute's openness to including additional candidates in the third year of your didactic training beginning in the fall of 2022.

Our institute has been experiencing difficulties. Our class of three candidates reduced to two this fall and will not be able to complete the two final years of didactic training with us. We are seeking an institute where they could remain together and continue to take classes. Joan Lentz's good experience as a supervisor of one of your candidates led her to suggest that there might be a place for our candidates in the Seattle Institute's didactic program. The Minnesota Institute would continue to administer the candidates' progression toward graduation.

Thank you for considering this request.

I'd be happy to discuss any questions you might have about it.

Kind regards,
Elizabeth
