--------------------------------------------------------------------------------------------------	-------------------------------------	-----------------------------------	----------------------------------------

The Seattle Psychoanalytic Society and Institute offers a Two-Year Certificate Program (2YCP), **Psychoanalytic Psychotherapy: Theory, Process, and Social Applicability**.

This 2022-23 course schedule is posted on spsi.org along with other relevant info, including syllabi and readings.

The full 2-year curriculum for the program is posted there as well.

Continuing education credit is available upon completion of 2YCP courses. To receive CE credit, you must:

- 1) **Sign in** using the attendance sheet for each class.
- 2) Complete the course and instructor **evaluation** after the final class.
- 3) Meet **attendance requirements**, including informing instructors of any absences in advance.
- 4) Request a letter attesting to your credit hours from the SPSI Administrator.
